in goding ABOUTIME

I am the final year student of Software engineering in Mehran University Jamshoro.

Essential skills and traits for entrepreneurship that I possess are:

Management skills

Critical thinking

Communication

Leadership skills

GOAL FIELD

I want to become a successful entrepreneur. For me, the idea of owning my own business and making a difference in the world through my innovative ideas and hard work is incredibly exciting. I believe that entrepreneurship offers a unique opportunity to create something meaningful, while also achieving financial independence and personal fulfillment.

WHY ENTREPENEURSHIP?

There are many figures that demonstrate the benefits of entrepreneurship as a goal. Few of them are:

1.5 MILLION

New Jobs every month

TOP 10

richest people in the world are entrepenuers

SCOPE

Entrepreneurship has a wide and varied scope, with opportunities in a range of industries and sectors.

01

This can involve developing new technologies, processes, or business models that solve problems or meet unmet needs in the market.

02

Entrepreneurship can contribute to economic growth and development by creating new jobs, generating revenue, and driving innovation.

03

Owning and running a business can provide a sense of autonomy, purpose, and satisfaction

EXPERIENCE

I am owing a company INCULCATORS TECHNOLOGIES pvt.ltd and A startup name as Evolvve as a founder and CEO.

Presenting

VISION

My goal as an entrepreneur is not just about achieving personal success, but about creating something that has a lasting impact on the world.

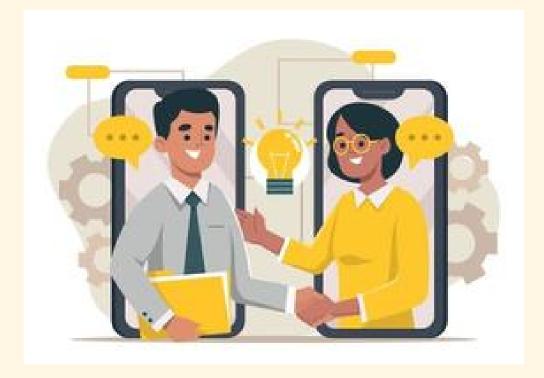

I want to work hard and stay focused. This means setting clear goals, developing a strong business plan, and staying up to date on industry trends and best practices.

We have completed the multiple projects. Including our website and mobile app creation and marketing tactics and partnership also.
